600X1200MM **Matt Finish**

600x1200mm matt finish tiles bring a modern, understated elegance to any space with their smooth, non-reflective surface. The large format reduces grout lines, offering a clean and seamless look that's ideal for both walls and floors. Their matt texture provides better slip resistance, making them a practical choice for high-traffic areas, bathrooms, and kitchens. Durable and easy to maintain, these tiles blend functionality with contemporary style for a sophisticated finish.
